

Values-Based Executive Coaching

Know yourself. Lead others.

Better align your people, processes, and policy through purpose - with Lapin's customized one-on-one executive leadership consulting.

Imbued by Lapin International's proprietary **Lead by Greatness®** philosophy, this highly individualized executive coaching journey helps you build a scalable, purpose-driven strategy organizationally, around which your team can rally and customers will identify with.

Our coaches cut through the complexity, using your values to inspire performance in others and helping develop values-centered leaders who are aligned with your purpose and can inspire their teams to execute on the strategy.

What Executives Can Expect

- 12 one-on-one telephonic or video sessions with Lapin's certified coaches.
- Your choice of coach - pick any of our certified **Lead By Greatness®** experts.
- You'll be challenged to think in new paradigms and take bold actions for organizational and optimal growth.
- Travel at your own pace, on your own time, achieving agreed-upon outcomes.
- Reflection, real-life applications and key delivery "milestones" along the journey, equipping you with wisdom and ways to enhance your leadership effectiveness.
